**RE: Courtenay Wind Farm, LLC's Certificate of Site Compatibility Application for the Courtenay Wind Farm in Stutsman County, North Dakota
Case No. PU-13-64**

Dear Mr. Nitschke:

On August 29, 2013, Courtenay Wind Farm, LLC ("Courtenay"), filed with the North Dakota Public Service Commission ("Commission") its written request to examine and present its own information and evidence in response to information provided with the Commission's Notice of Intent to Consider Additional Information Not Presented At a Hearing ("Notice Information"), in accordance with N.D.C.C. § 28-32-25. In its letter, Courtenay indicated that it planned to file its information and evidence in response to the Notice Information within two weeks. However, Courtenay is currently in discussions with the interested parties and, in order to provide sufficient time to complete those discussions, now plans to submit its information and evidence in response to the Notice Information at the same time it submits its late-filed hearing exhibits and proposed Findings of Fact, Conclusions of Law and Order.

Ten (10) copies of this letter are enclosed, and an electronic version has also been e-mailed to ndpsc@nd.gov.

If you have any questions, please let me know.

Sincerely,

A handwritten signature in blue ink that reads "Mollie M. Smith".
